In this wild world we live in, we are all stretched thin with errands, work, and all of the other demanding activities that take up our attention on a day to day basis. Get the kids to school on time, get yourself to work on time, make sure the bills are paid on time... and the list goes on. In all of this hectic activity that demands your energy, it can be difficult to think about the here and now. Most days it seems as though you are spending a lot of your time wishing that next year would get here, and times that are coming are going to be better. Eckhart Tolle is a man that challenges us to think differently. To accept and embrace today, and everything today has to offer. He reminds us that the days that are coming are to be looked forward to, but today is what we have, and that is what we should enjoy. This book is all about enjoying the now that you have, and embracing now for all that you can. Using the life lessons and quotes that Tolle has given us, you are going to find all kinds of ways to enjoy life at the moment and not what's coming. Read on to discover a wealth of life that you have right now, and change the way you view this entire world.
