Paul Collier

Guerra en el club de la miseria: La democracia en lugares peligrosos (Noema) (Spanish Edition) Paul Collier

Paul Collier sigue la senda trazada en su éxito anterior, *El club de la miseria* (Turner, 2008), centrándose en las guerras y golpes de estado: su triste recurrencia, sus razones y sus posibles soluciones. En su línea imaginativa, sensata y políticamente incorrecta, Collier argumenta por qué la democracia "al estilo occidental" puede ser una trampa para los países subdesarrollados, y analiza con datos de primera mano la tensa situación política de las naciones más pobres del mundo.

Lectura fundamental para todos los interesados en el desarrollo y la cooperación, y una lectura apasionante sobre el mundo en el que vivimos y sus males de fondo.
