How to Put Your Parents to Bed Mylisa Larsen

Mylisa Larsen's tongue-in-cheek bedtime story about a role reversal between parents and a child pairs perfectly with Babette Cole's hilarious and bright watercolor illustrations.

No one likes going to bed. And you're not even tired. You want to stay up and have all sorts of fun adventures! But take a look at your parents. They're *really* tired. They're exhausted. But they just won't go to bed! Help them put down the cell phones, turn off the TV, stop cleaning the dishes, and go to bed! You might be small, but you can handle this task. Follow the instructions in this book and you'll have them snoring in no time.

Debut author Mylisa Larsen teams up with Babette Cole, author-illustrator of *Princess Smartypants* and *Dr. Dog*, to present a bedtime story like you've never seen before!

From reader reviews:

Mary Mohammad:

As people who live in often the modest era should be upgrade about what going on or info even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will update themselves by studying books. It is a good choice in your case but the problems coming to a person is you don't know which one you should start with. This How to Put Your Parents to Bed is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Earl Martinez:

This How to Put Your Parents to Bed is great publication for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. That book reveal it details accurately using great arrange word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but challenging core information with beautiful delivering sentences. Having How to Put Your Parents to Bed in your hand like keeping the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world in ten or fifteen moment right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt which?

Debra Daniel:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this How to Put Your Parents to Bed can make you really feel more interested to read.

Frances Drury:

Many people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half portions of the book. You can choose typically the book How to Put Your Parents to Bed to make your reading is interesting. Your current skill of reading expertise is developing when you including reading. Try to choose straightforward book to make you enjoy to see it and mingle the opinion about book and examining especially. It is to be first opinion for you to like to start a book and learn it. Beside that the guide How to Put Your Parents to Bed can to be your brand new friend when you're feel alone and confuse in what must you're doing of the time.
