Then, she meets Spencer Harrison, gorgeous and successful business tycoon that she finds herself falling for. Once he learns her secret, he doesn't run away like she was afraid he would.

Amber thinks that she's in the clear and that she and Spencer may be able to build a relationship despite all the odds pitted against them. That is, until she realizes that Spencer has some demons of his own...

This is book two of a steamy four-part series. The entire series is now available for sale on Amazon.
