“Wake up!” she’s telling me. “Wake up!”

THE DREAM IS FINALLY ENDING

BUT THE HOUSE HAS OTHER PLANS

Determined to rid himself of the nightmares of his great grandfather’s manor once and for all, Judas recruits Dolores to help him with one final thing: burning down the mansion.

Together the two of them collect the items necessary to execute their exceedingly dangerous plan and put it into action. The house, however, has other plans and it needs Judas and it’s not about to let him go without one last battle.

Weak, disoriented, desperate and at the very end of his rope, Judas must fight the forces of the house as the true natures of every creature in it are at last revealed in all their wickedness. They are attacking everything he holds dear, worming into the cracks of his consciousness with lies and deceits and illusions all in hopes of winning the last thing he has of value: his own soul!

With the help of Dolores, who believes in him above all else, Judas must find the strength to resist the taunts and temptations that the house chooses to throw at him. His very soul will be tested.

Above everything else, will the final question come into play? Is he sane? Was this all really just a mere nightmare? Or were the demonic forces really at work under the guise of his ‘family.’

The board is set, the pieces are ready and the kings are now facing each other at last. The checkmate approaches! Who wins the crown?

It’s up to you to decide!

EXCERPT

“You don’t have to run anymore Judas,” Bast’s melodious, tinkling voice floated through my head and I hazily turned to look at her. She looked once more like a white – clad angel who had kissed me that night in this very courtyard so many weeks ago. Her huge, luminous eyes were shining in the glowing light and I stared at them unabashedly.

“What do you mean?” I whispered.

“I will bring you peace!” She caressed my face exactly how my mother had done when I was a child and I closed my eyes as she pulled me close to her. Her lips found my ear and she spoke to me softly. “You will feel no more hurt, no more sorrow, no more fatigue. It will be as though you lived a long full life of experiences and happiness. Time will have no meaning and you will see everything as you were meant to. You and Dolores, I will start you both off where it should have been. What you will experience is the perfect life. All we ask is that you let go. Surrender, Judas.”

“Surrender...” the word slipped from my numbed lips and I blinked. A hot wetness surged behind my eyes, unmerciful and burning. “Surrender...” The word had a deceptively peaceful sound to it, and I was tired; so very tired.
