John H. Coe and Todd W. Hall tackle these and other provocative questions in this next volume of the Christian Worldview Integration Series which offers an introduction to a new approach to psychology that seeks to integrate psychology and spiritual formation. This model "represents a spiritual formation and relational approach to psychology for the sake of servicing the spiritual needs of the church." Their goal is to provide a unique model of doing psychology and science in the Spirit. Here you will find an introduction to the foundations, methodology, content and praxis for this new approach to soulcare.
