The Colony: Buried (The Colony, Vol. 6) Michaelbrent Collings

The survivors have lost much. Friends, children, parents.

Ken is gone.

Now, they must continue their struggle to survive, more lost and alone than ever.

They are lost, alone, frightened. Nowhere to run to, and nowhere to hide from the enemies that stalk them... or the old friends who still hunt them.

It is only a matter of time not a question of if they will die, only when.

Not a question of if they will be killed, only where they will be buried... and how long their bodies will stay that way. Because in this new world nothing is sacred. Life is cheap, and death is just another doorway to a living Hell on Earth.
