Susan Mallery, the New York Times bestselling author of *Three Sisters*, is world renowned for her "insightful, funny, and poignant" stories (Booklist). With her brand-new Mischief Bay series, she brings vivid color to the story of three friends on the brink of a new life.

Nicole Lord wants to be a good wife, but there's a difference between being supportive and supporting her husband, who quit his job to write a screenplay she's never seen. He won't even help take care of their son, leaving Nicole to run the house and work full-time.

Sacrificing a personal life for her career is how Shannon Rigg became VP at her firm, but she wonders now whether she made the right choice. An exciting new relationship with a great guy convinces her that it might not be too late—until he drops a bombshell that has her questioning whether she really can have it all.

Although Pam Eiland adores her husband, she feels restless now that the kids are grown. Finding sexy new ways to surprise him brings the heat and humor back to their marriage, but when unexpected change turns her life upside down, she'll have to redefine herself. Again.

Through romance and heartbreak, laughter and tears, the girls of Mischief Bay will discover that life is richer with friends at your side. **Look for the next story in the Mischief Bay series, *The Friends We Keep* by Susan Mallery. Order your copy today!**
