Henry Kuttner SF Gateway Omnibus Henry Kuttner

From the vaults of The SF Gateway, the most comprehensive digital library of classic SFF titles ever assembled, comes an ideal introduction to the fantastic work of one of the Golden Age's most influential writers, Henry Kuttner. Henry Kuttner sold his first story WEIRD TALES in early 1936 and was, with his wife, fellow writer C. L. Moore, a regular contributor to John W. Campbell's ASTOUNDING SCIENCE FICTION. He and Moore collaborated for most of the 1940s and 1950s, but his career was tragically cut short in 1958, when he suffered a fatal heart attack. This omnibus contains two of his major novels, which have been out of print for many years - FURY and MUTANT - and collection THE BEST OF HENRY KUTTNER.
