Meet Holly Lin. Nanny by day. Assassin by night.

Holly Lin is living two lives. To her friends and family, she's a pleasant, hardworking nanny. To her boss and colleagues, she's one of the best non-sanctioned government assassins in the world.

But when a recent mission goes wrong causing one of her team members to die, she realizes she might no longer be cut out for the work -- except the mission, as it turns out, is only half over, and to complete it will take her halfway across the world and bring her face to face with a ghost from her past.

Things are about to get personal. And as Holly Lin's enemies are about to find out, she is not a nanny they want to piss off.
