Tempe (Then and Now) Frederic B. Wildfang, Linda Spears, Tempe History Museum

Charles Trumbull Hayden built the first canal on the south side of the Salt River in 1870. Soon after, he built a store, a flour mill, and a cable ferry across the river, and he started a town. Since then, Tempe has changed from a small farming community to a lively urban center. Moreover, Tempe's residential growth has made it the seventh-largest town in Arizona.
