The Fairy Tale Girl

Susan Branch

The Fairy Tale Girl Susan Branch

Based on the diaries Susan has kept since she was in her 20s, ***THE FAIRY TALE GIRL*** is book one of a two part series. Together the books are an illustrated memoir, charmingly designed in Susan's style with her whimsical watercolors and personal photographs. It's an enchanting story of love and loss, mystery and magic that begins in a geranium-colored house in California, and ends up, like any good fairy tale, on the right side of the rabbit hole, in a small cottage in the woods on the New England Island of Martha's Vineyard.

THE FAIRY TALE GIRL humorously explores Susan's journey as an artist and as a girl/woman, from the 1950s through the 1980s. In the first book of the series we get a revealing view of Susan's early life as the oldest of eight children and the marriage she imagined would be forever; it's filled with inspiration, romance and discovery, and a leap into the unknown.

Journey back to the olden days with Susan, to the land of happily-ever-after, where men were men and girls just wanted to have fun. Bring a hankie, we think you might need it.

Coming Mother's Day, 2016, book two in the series: ***MARTHA'S VINEYARD, ISLE of DREAMS***

Both books are prequels to Susan's 2013 bestselling book, *A FINE ROMANCE, Falling in Love with the English Countryside*, and both are proudly printed in the USA. More expensive, but hey, we're worth it.

From reader reviews:

Quentin Ryan:

What do you consider book? It is just for students since they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great in addition to important the book The Fairy Tale Girl. All type of book are you able to see on many options. You can look for the internet options or other social media.

Pat Clark:

People live in this new moment of lifestyle always try to and must have the spare time or they will get large amount of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not only a robot. Then we question again, what kind of activity do you have when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative inside spending your spare time, the actual book you have read is usually The Fairy Tale Girl.

Larry Hayes:

Do you have something that you enjoy such as book? The e-book lovers usually prefer to select book like comic, small story and the biggest one is novel. Now, why not striving The Fairy Tale Girl that give your fun preference will be satisfied through reading this book. Reading practice all over the world can be said as the method for people to know world much better then how they react toward the world. It can't be said constantly that reading practice only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start reading as your good habit, you can pick The Fairy Tale Girl become your own starter.

Michael Wheeler:

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Fairy Tale Girl can make you really feel more interested to read.
