Intimate

Kate Douglas

Intimate Kate Douglas

From bestselling author Kate Douglas comes the first book in a sensational new series set in California wine country-a place where love is always intoxicating. . .

HER BEAUTY IS POWERFUL.

They call her Kaz. She's a gorgeous model with a good head for business-until now, at least. Kaz has just been fired from her latest photo shoot for having the wrong tattoo in the wrong place at the wrong time. But a chance encounter with photographer Jake Lowell could make everything right again...if Kaz is willing to accept his proposition. What does she have to lose?

HIS DESIRE IS DANGEROUS.

Jake has been searching for the perfect model to pose for a body-jewelry shoot-one that will leave no room for modesty. Is Kaz, who is nothing if not professional, ready to bare it all for a man she is not sure she can trust? It's an offer that's too good to refuse...and as Kaz finds herself growing more comfortable with Jake, the attraction between them reaches arousing new heights. But while the artist and his subject learn more about each other in the intimacy of wine country, evil lurks in the shadows-and soon it becomes clear that someone else has designs on *them*...

From reader reviews:

Annette Morrison:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make them keep up with the era which can be always change and move ahead. Some of you maybe can update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what type you should start with. This Intimate is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Bobbie Burke:

Spent a free a chance to be fun activity to perform! A lot of people spent their sparetime with their family, or their friends. Usually they performing activity like watching television, going to beach, or picnic within the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Can be reading a book may be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to consider look for book, may be the reserve untitled Intimate can be fine book to read. May be it could be best activity to you.

Timothy Lumpkin:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them household or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity this is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you just read you can spent the entire day to reading a publication. The book Intimate it is extremely good to read. There are a lot of folks that recommended this book. These were enjoying reading this book. In case you did not have enough space to bring this book you can buy the actual e-book. You can m0ore easily to read this book from your smart phone.
