The real source of wealth and capital in this new era is not material things... it is the human mind, the human spirit, the human imagination, and our faith in the future.” ~ Steve Forbes Because the connection between our thoughts and our circumstances is not obvious, most of us think careless, destructive thoughts without even realizing it... and then wonder why life is so hard. It is easy to get excited about a possible leap forward in our progress, and the promise of wealth, but since we can't see the evidence of circumstances gathering for our benefit, it is easy to let doubt creep into our minds. As a result, the good fortune which had been under orchestration begins to dissipate, and we never realize that the money we needed was nearly ours. There is more significance to the counsel “doubt not, fear not” than we ever realized.
