Written by Steve Rathbone of Blinn College. The Student Solutions Manual and Study Guide combines a comprehensive guide to working the solutions to the odd-numbered end-of-chapter problems in the text and the Study Goals for every chapter as well as Chapter Objective quizzes. The best way for students to learn and understand the concepts is to work multiple, relevant problems on a daily basis and to have reinforcement of important topics and concepts from the book. The Student Solutions Manual provides instant feedback to students by not only giving the answers but also giving detailed explanations.
