The Ascension Prophecy: The Time is Now! Ann Campbell

The brutal death of a Templar Knight, centuries earlier, is the keystone to a dramatic quest that propels two families into the mystery and magic of their deeper purpose ... An adventure holiday in the wilds of S.W. France beckons, when the Worthington and Lefèvre families are thrown into the epicentre of an ancient prophecy. Their strength, courage and commitment to the Truth will be tested to the limits... for the Dark Forces will challenge their Light! Megan, Tom and Lily, along with their parents and Aunt and Uncle, are drawn into the terrifying prejudice of 13th century France. They use all their developing psychic gifts to bring healing and peace to this troubled land. Merlin and his apprentice, amazingly powerful crystals and realms of Higher Beings assist the family in bringing about a New Order. A beautifully written book; exciting, fast-paced, mysterious and magical. Includes map, photographs & sketches and an informative glossary with space for notes at the end.
