The Body Electric: Electromagnetism And The Foundation Of Life

Robert Becker, Gary Selden

The Body Electric: Electromagnetism And The Foundation Of Life Robert Becker, Gary Selden

The Body Electric tells the fascinating story of our bioelectric selves. Robert O. Becker, a pioneer in the field of regeneration and its relationship to electrical currents in living things, challenges the established mechanistic understanding of the body. He found clues to the healing process in the long-discarded theory that *electricity* is vital to life. But as exciting as Becker's discoveries are, pointing to the day when human limbs, spinal cords, and organs may be regenerated after they have been damaged, equally fascinating is the story of Becker's struggle to do such original work. *The Body Electric* explores new pathways in our understanding of evolution, acupuncture, psychic phenomena, and healing.

Douglas Moskowitz:

Now a day people that Living in the era wherever everything reachable by match the internet and the resources within it can be true or not need people to be aware of each info they get. How a lot more to be smart in acquiring any information nowadays? Of course the answer is reading a book. Reading through a book can help folks out of this uncertainty Information mainly this The Body Electric: Electromagnetism And The Foundation Of Life book since this book offers you rich details and knowledge. Of course the info in this book hundred pct guarantees there is no doubt in it you probably know this.

Michael Sweet:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's

country. Therefore this The Body Electric: Electromagnetism And The Foundation Of Life can make you feel more interested to read.
