The Western Lonesome Society: A Novel Robert Garner McBrearty

In this hilarious, poignant, over-the-top Western, readers are introduced to Jim O'Brien who is writing a quixotic saga of his ancestors who grew up with a tribe of Comanche. As his grip on reality loosens, O'Brien weaves into his tale an RV trip through the soul of the west and includes a whole host of characters such as modern day stalkers, drug dealers, secret agents, strippers, a mad linguist, an imaginary therapist, and Ernest Hemingway. Having been displaced, each of the characters must embark on the great American quest for a place to truly call home.
