Wayward Pines: Alone (Kindle Worlds Novella) Brett Battles

“‘Everybody in!’ Roger yelled over the radio. ‘Come on! Move it!’ Pilcher, though considerably older than the others, ran with surprising speed from the base of the Needle to the helicopter. Reynolds...brought up the rear, his M16 swinging left and right in case any targets popped up. ‘Evans,’ Reynolds said, “ETA on Pam.’ ‘She’s about a minute away.’ ‘And the abbies?’ ‘They’re right behind her.’”

The genius architect of Wayward Pines, David Pilcher, decides to lead a scouting party out of his secluded mountain fortress to make sure the dying world he once knew has disappeared. It has...mostly. But the abbies are out there, too—millions of monstrous reminders of what humanity has involved into. And every one of them wants to tear Pilcher and his crew apart.

Brett Battles’s *Alone* is another wildly inventive, hair-raising chapter in the Wayward Pines series.
