## **Dorothy Day: Selected Writings; By Little and by Little** Robert Ellsberg

This edition of Dorothy Day: Selected Writings marks the twenty-fifth anniversary of death of one of the most challenging and inspiring figures of recent history. Dorothy Day (1897-1980) was co-founder of the Catholic Worker movement, and currently a candidate for sainthood in the Catholic Church. In her lifelong option for the poor and her unstinting devotion to active nonviolence, Day fashioned a new face for the gospel in our time.

Dorothy Day: Selected Writings is widely recognized as the essential and authoritative guide to her life and work. The writings collected here reflect her spirit: meditative, ironical, combative, filled with love for the Catholic Worker family, and suffused with her special sense of the 'holy sublimity of the everyday.'
