Hot Dogs Saved My Life - The Most Comprehensive Guide On The Market Ben Wilson

"Hot Dogs Saved My Life" - the book It's a course, it's a book - it's the complete guide from start to success in the hot dog vending world. Ben was a success, a mutli-furniture store owner. Then the economy collapsed and he lost it all. Starting from scratch, he begged, borrowed and finally was able to get a hot dog cart. 7 weeks later he had purchased 2 more carts from the profits from the first cart and was on his way. Fast forward almost 4 years and he now not only operates carts, but also helps others... many many others do the same. He has a manufacturing company building carts that real people can afford and that will last for decades. He has free training videos and speaks to hundreds of people monthly - guiding them to success. He has now written a complete course and true to his goal to help others, he offers it for less than 0 while other sellers try to get much more. You will feel like you know Ben when your done with this book, you will feel like friends and he will take your phone calls. The E-book has been a hit and only weeks later the paperback is available. No stone is left unturned. You will know the business, how to start, what to watch for, the pros the cons and every secret and tip in his bag are yours for the taking.
