Thou shalt not suffer a vampire to live...

My name is Ran Hwang. Raised to hunt the vampires that have infiltrated every corner of our world, I know them for what they really are and I'll do anything, everything to send them back to the grave where they belong.

When a beautiful man promises to lead me straight into vampire society and eliminate a key player in their politics in exchange for protecting him while on a mission to find his missing lover, I can't resist. The chance to strike the monsters where it'll hurt them the most nor the chance to unravel the mysteries surrounding Jason Eldridge is the opportunity of a lifetime and I readily agree.

The ante has been raised. My prey is stronger, smarter, deadlier and I am surrounded by enemies, both vampire and otherwise.

But I am not so helpless. Born with a unique ability that allows me to fight vampires toe to toe, I will rip off the masks these monsters wear and I will expose them for the abomination they are.

I am Ran Hwang.

I am...INVINCIBLE.
