"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits" - I Timothy 4:1

We hear more and more about miraculous events. Inspirational religious leaders draw thousands with promises of healing and deliverance.

The Bible says that as we approach the last days right before the Second Coming of Jesus Christ, people will allow themselves to be deceived by agents of Satan that present magic events as miracles. With counterfeit spirituality on the rise, how can we discern what is from God and what is from the devil?

Spiritual discernment is needed to see God clearly and recognize increasingly clever deceptions that masquerade in His name. In his captivating book *Miracles or Magic?*, Roybal provides a sound Biblical, historical, scientific and prophetic analysis for a unique, comprehensive understanding of this controversial topic. The book includes a detailed Appendix with views on tongues and healings from key Christian leaders and denominations throughout church history.

As spiritual deception in this world rapidly increases, this book is a must read for both Christians and non-Christians!
