When Callie signed up for her internship at Cavendish Enterprises, she never thought for a minute that she'd be working for the **sexiest, richest, most dominant man** she's ever laid eyes on. James Cavendish is everything she's ever dreamed of—every last one of her **darkest fantasies**—and some days it's all she can do not to excuse herself from the office to go work off a little steam in private.

Of course, the one time she does give in to her need, James Cavendish is right there watching her. He'll keep her secret, though, as long as she'll come work with him for a late meeting on Friday night—a meeting with an entire room full of powerful, commanding **billionaires** who want her for themselves. She's going to do everything asked of her, and Cavendish means *everything*.

Callie is going to be tied up, played with, claimed hard with **no protection** by every dominant, powerful man in attendance, and she can't wait for the fun to start!
