## **The Beatles Swan Song: She Loves You & Other Records** Bruce Spizer

The Beatles Swan Song is the sixth and final installment in Bruce Spizer's critically acclaimed books on the Beatles American records. It tells the fascinating stories behind the records released by companies that had the rights to only a limited number of Beatles recordings. These labels included Swan, United Artists, Decca, MGM, Atco and Polydor, each trying to exploit Beatlemania to the fullest, often milking a cash cow even when they had no legitimate cow to milk. The book also covers the singles and albums released by Capitol Records in the 70s and 80s, including theme albums such as Rock 'N' Roll Music and Love Songs, as well as The Beatles At The Hollywood Bowl, Rarities and the unreleased Sessions LP. The book is printed on high quality glossy paper, with nearly 1,000 color images throughout.

#### **Loretta Pena:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library in order to make a summary for some publication, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So, this *The Beatles Swan Song: She Loves You & Other Records* can make you truly feel more interested to read.
