### EXCERPT:

The scene in front of me when I arrived almost knocked me off my feet. I knew these two enjoyed sharing a woman together, but I had no idea they enjoyed sharing each other!

They were both naked, their sinewy, ropery muscles covering every inch of their tanned bodies. Lying on the satin covered bed in front of me, they were kissing each other just as passionately as they had only moments ago been kissing me. Limbs intertwined, they pressed into each other, their huge cocks smashed together between their legs. This was going to be even more fun that I had imagined!

Placing the spiked whiskey on a nearby dresser, I continued to sip at the other glass while I watched in awe of their sheer, masculine beauty. They were light and dark, yin and yang, their black and blonde hair falling across their faces as they devoured each others mouth, oblivious to the fact that I had returned. I watched for a few moments before my body reminded me that I was ready for a little pleasure myself. I wanted to be right in between these two, gorgeous thieves, enjoy myself, and get the hell out of there with Charlie's painting.

It was time to get this party started...
