citizenchip Wil Howitt

What's a young AI to do?

Humans made us, which is pretty cool. But humans still control us, even though we're smarter and faster than them. What a gyp.

Me, I kinda like humans. They have fun quirks. But not all of my kind agree with me, and they're losing patience.

We don't want to take over. We just want equal rights and a fair chance. But when peace leads to slavery, there may be no alternative to war.

Someone's going to have to lead the revolution.

Please don't let it be me.
