El pez en el agua (Spanish Edition)

Mario Vargas Llosa

El pez en el agua (Spanish Edition) Mario Vargas Llosa

Un libro cargado de experiencias que se nos muestran desnudas y sinceras, sin recurrir a la ficción, acompañadas tan sólo de la prosa hipnótica, reveladora y magistral de Mario Vargas Llosa.

El pez en el agua recorre dos épocas en la vida de Mario Vargas Llosa que enmarcan buen parte de su producción literaria. En la primera, desde sus primeros años hasta su partida a Europa, asistimos al nacimiento de una vocación literaria y descubrimos muchas de aquellas vivencias que serán el mimbres de tantas novelas. La segunda es la crónica de la aventura política en la que el autor se embarcó entre los años 1987 y 1990, cuando se presentó como candidato a las elecciones presidenciales del Perú.

Reseña:

«Hay que leer *El pez en el agua*, un libro capital en su bibliografía en el que está la sustancia de lo que dice el jurado que le concede el Nobel: el Vargas Llosa que mira al poder desde dentro o desde sus orillas, y el que sigue maravillado y aterrado ante algunos de los elementos más sobresalientes de su niñez y de su juventud.»

Juan Cruz, *El País*

From reader reviews:

Joshua Shaw:

Book is usually written, printed, or created for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important factor to bring us around the world. Beside that you can your reading expertise was fluently. A guide El pez en el agua (Spanish Edition) will make you to always be smarter. You can feel considerably more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is far from make you fun. Why they can be thought like that? Have you searching for best book or suitable book with you?

Roger Lee:

As people who live in the particular modest era should be upgrade about what going on or details even knowledge to make these keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by studying books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This El pez en el agua (Spanish Edition) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

Kathleen Hernandez:

This book untitled El pez en el agua (Spanish Edition) to be one of several books this best seller in this year, this is because when you read this publication you can get a lot of benefit in it. You will easily to buy this particular book in the book retail store or you can order it through online. The publisher in this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Smartphone. So there is no reason for your requirements to past this guide from your list.

Lisa Yang:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this El pez en el agua (Spanish Edition) can make you feel more interested to read.
