Love @ First Site: A Novel

Jane Moore

Love @ First Site: A Novel Jane Moore

Spunky, sweet-natured Jessica Monroe is thirty-four years old and perfectly happy being single. Her girlfriends, however, disapprove. And when they secretly place a personal ad on a hot singles website on her behalf, Jess is reluctantly hurtled into the topsy-turvy world of online dating. A laugh-out-loud whirlwind of disastrous dates ensues, from Simon, who seems dreamy over e-mail but ditches her at the dinner table, leaving her with the bill, to Graham, a self-described “Ferrari driver” who turns out to be a car salesman—with several (old, fat, bald, creepy, cheap, stuck-up) men in between. When an unforeseen event turns her world upside down, Jess starts to wonder if the qualities she thinks she wants in a man—gorgeous, wildly successful, with a taste for fun and the finer things—really are what she ultimately needs . . . and whether, as a new mystery suitor appears in her e-mail inbox, Cupid has other possibilities up his sleeve.

Told with Jane Moore’s sparkling wit, wisdom, and sass, *Love @ First Site* is an irresistible tale about what happens when we start to look for love between the lines on a computer screen—and a winning, unputdownable look at contemporary romance.

It means that it can to be your friend when you really feel alone and beside those of course make you smarter than in the past. Yeah, it is very fortunated for you. The book makes you much more confidence because you can know everything by the book. So , let's make new experience in addition to knowledge with this book.

John Stewart:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you have done when you have spare time, after that why you don't try factor that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Love @ First Site: A Novel, it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't understand it, oh come on its named reading friends.

Debera Jessie:

Beside this Love @ First Site: A Novel in your phone, it could possibly give you a way to get nearer to the new knowledge or information. The information and the knowledge you are going to got here is fresh from the oven so don't become worry if you feel like an outdated people live in narrow small town. It is good thing to have Love @ First Site: A Novel because this book offers to you personally readable information. Do you at times have book but you don't get what it's exactly about. Oh come on, that would not happen if you have this within your hand. The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the item? Find this book along with read it from today!

Ron Matthies:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Love @ First Site: A Novel can make you feel more interested to read.
