Modern Essays: 33 World Famous Essays Various

33 World Famous Essays - Selected By Christopher Morley. John Macy, William Allen White, Rupert Brooke, Don Marquis, David W. Bone, William McFee, Joyce Kilmer, Joseph Conrad, A. P. Herbert, Hilaire Belloc, Stephen Leacock, A. A. Milne etc. Essays are generally scholarly pieces of writing giving the author's own argument, but the definition is vague, overlapping with those of an article, a pamphlet and a short story. Essays can consist of a number of elements, including: literary criticism, political manifestos, learned arguments, observations of daily life, recollections, and reflections of the author. Almost all modern essays are written in prose, but works in verse have been dubbed essays (e.g. Alexander Pope's *An Essay on Criticism* and *An Essay on Man*). While brevity usually defines an essay, voluminous works like John Locke's *An Essay Concerning Human Understanding* and Thomas Malthus's *An Essay on the Principle of Population* are counterexamples.
