Rendezvous Arie Lane

WARNING This book is intended for 18+ due to strong language, violent scenarios, and sexual content.

This book is the completion to the book Tryst. It is NOT a standalone, and it DOES NOT end in a cliffhanger.

After having the love of his life walk away, Tristan is left with only one option, to find her and bring her home. He finds the help he needs in locating her from a most unexpected source. But no matter how much he wants her by his side, he knows she will never agree, so long as Darla is out there looking to destroy her.

Bentley has made some hard decisions in her life, but none harder than walking away from the one person she's come to love more than life itself. She knows Darla will never stop until one of them is dead. Having Tristan by her side just leaves him at risk, and gives Darla an extra piece of leverage to torment her with.

If you love someone, set them free. If they come back they're yours; if they don't they never were.

Richard Bach

What happens when you just can't let go? When you know without a doubt they belong with you, but will never come back?
