Responding to Emergency: American Red Cross Staywell

Designed specifically for the academic market, this textbook facilitates learning and understanding of the knowledge and skills required to effectively respond to emergency situations. Updated with the latest science in first aid and emergency cardiovascular care, the revised 2012 edition of First Aid-Responding to Emergencies covers first aid as a stand-alone course, with the option to combine it with either Child CPR/AED or Adult study questions that can help you remember the skills needed to make a difference in any emergency situation.
