THE ENORMOUS ROOM. With an Introduction by the Author. E.E. Cummings

The Enormous Room is a 1922 autobiographical novel by the poet and novelist E. E. Cummings about his temporary imprisonment in France during World War I. Cummings served as an ambulance driver during the war. In late August 1917 his friend and colleague, William Slater Brown (known in the book only as B.), were arrested by French authorities as a result of anti-war sentiments B. had expressed in some letters. When questioned, Cummings stood by his friend and was also arrested. The title of the book refers to the large room where Cummings slept beside thirty or so other prisoners. However, it also serves as an allegory for Cummings' mind and his memories of the prison - such that when he describes the many residents of his shared cell, they still live in the "enormous room" of his mind.
