Carlotta Wren has always dreamed of taking a vacation from her life as daughter to fugitive parents and mother to her younger brother, Wesley. So when she is temporarily suspended from her job at Neiman Marcus, the invitation from hunky body mover Cooper Craft to ride to Florida for some fun in the sun and a VIP body pickup seems like a good idea....

And then Wesley tags along to elude an irate loan shark and to play chaperone....

And then they're greeted on arrival by three different men, each one laying claim to the celeb's body they've been hired to move....

And it isn't long before they realize someone is determined that the stressed-out trio won't make it back to Atlanta with their famous cargo intact!
