A Wild Hare: Finding the Life I Imagined Siffy Torkildson

A Wild Hare is a story of long-lost love, relationships, spirituality and opening one's heart to a life of dreams. The author travels from her home in Las Vegas to rendezvous with a man she hasn't seen in 25 years, in Munich, Germany. The chance encounter sends Siffy Torkildson on a three year long odyssey around the world, from the Himalaya to the Sahara, and serves as a catalyst to find her true love and live the life she had always imagined. Torkildson is a geographer, cartographer, environmental scientist and intrepid explorer. When not teaching environmental science in distance places like Madagascar, or chasing starry nights and eclipses, you will find Siffy working hard on her next book about the adventurer, Annie Peck, in a small village in Bavaria
