Joseph Smith

Book of Mormon: 1830 Replica (Leather Bound and the most accurate replica sold) Joseph Smith

This 3rd version from Stratford Books (published 2015) is BY FAR THE BEST 1830 replica! It's the ONLY one with 50 important features, including: (1.) a real LEATHER COVER - Stratford Books' earlier versions in 2006-2007 used leather, but this leather is much better. Meanwhile, other mass-produced replicas do not even use leather. (2.) ACTUAL SEWN BINDING - other versions are only glued, not sewn. (3.) ACCURATE SPINE ARTWORK - only this version has correct font, size, and lay-out of words and gold lines across the spine. (4.) CORRECT 16 PAGE SIGNATURES - not modern 32 page sections like other replicas. (5.) ALL TEXT CORRECTLY PLACED - replicas are reproduced from First Edition copies, but only this one places all the text CORRECTLY on the pages! (6.) CORRECT NUMBER OF "END SHEETS" - these are the blank sheets in front and back, and only this one does it right! (7.) ACCURATE PAPER - with the right color, pH, opacity, and thickness. No other replica has this. (8.) UNIQUE VERSION - this is the only one that replicates a real copy that had a fascinating typo: on the next to last page the word "seen" is spelled with 3 e's, before it was corrected while the press was still running! It's call the "triple e edition." PS: You can pay a little less for cheaper replicas - but what you get are plastic covers from one publisher (while they claim it is bonded leather), or thick brown paper covers from another (which looks kind of like leather), or wood pulp paper from another (which will fade in a few years and is way too thick compared to the original 1830 edition). HERE'S ANOTHER TIP: Yellow-covered replicas are not historically accurate for the 1830 first edition. (Stratford Books' own 2nd version, from 2007, was yellow, but has been CORRECTLY UPDATED for this new, stunning 3rd version [2015]. THE BOTTOM LINE? This 3rd version is a labor of love - it cost much more to make and has very little profit compared to other versions.
