Monsieur Montespan

Jean Teul

Monsieur Montespan Jean Teul

The Marquis de Montespan and his new wife, Athenais, are a true love-match - a rarity amongst the nobility of seventeenth-century France. But love is not enough to maintain their hedonistic lifestyle, and the couple soon face huge debts. When Madame de Montespan is offered the chance to become lady-in-waiting to the Queen at Versailles, she seizes this opportunity to turn their fortunes round. Too late, Montespan discovers that his ravishing wife has caught the eye of King Louis XIV. As everyone congratulates him on his new status of cuckold by royal appointment, the Marquis is broken-hearted. He vows to wreak revenge on the monarch and win back his adored Marquise. With this extraordinary novel, Jean Teule has restored a ridiculed figure from history to the rightful position of hero, by telling the hilarious, bawdy and touching story of a good man who loved too well and dared challenge the absolute power of the Sun King himself.

From reader reviews:

William Deck:

As people who live in the actual modest era should be up-date about what going on or info even knowledge to make these people keep up with the era which is always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you but the problems coming to you actually is you don't know which you should start with. This Monsieur Montespan is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Emilio Lutz:

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining including comic or novel. The actual Monsieur Montespan is kind of publication which is giving the reader capricious experience.

Ross Fletcher:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story as well as their experience. Not only the story that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some exploration before they write to their book. One of them is this Monsieur Montespan.

Cathy Lantz:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your time to upgrading your mind skill or thinking skill actually analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short time to read it because this time you only find reserve that need more time to be study. Monsieur Montespan can be your answer because it can be read by an individual who have those short spare time problems.
