**When you're reaching for the stars, nothing can hold you back.**

Star Calloway is fourteen years old, and she's the most famous pop star in the world. Her album has topped the charts, her video is all the rage, and she's about to start her world tour. There's only one thing that keeps her life from being perfect: Star's parents and baby brother have been missing for two years, and no one knows what happened to them.

Still, Star knows her family would want her to be happy, and performing means everything to her. But with so many mysterious things going wrong in preparation for the tour, could the show be over before it begins?
