Nora is a big girl now, but she still clings to her pacifier when she gets sleepy. One day it falls out of her pocket while she's playing outside. Ella Elephant doesn't know what it is, but she thinks it'll make a beautiful ring for her trunk. When she too loses it, Lotti Lamb finds it and thinks it'll make a nice hair clip. One by one different animals find the binky and put it to different uses, only to lose it again. And just when Nora finally finds it, she realizes that maybe she doesn't need it anymore. Here is a cute, funny look at what it means to put aside baby things, and will serve as a help to all those parents hoping to say bye-bye to that binky!
