## **Foxfire** Anya Seton

Anya Seton's *Foxfire* makes the desert Southwest of the Great Depression come alive in all its rich strangeness and passion-filled glory.

Amanda Lawrence, a charming, sheltered New York socialite, falls in love with Jonathan Dartland, a part-Apache mining engineer who belongs to the vastness of the Arizona desert. Amanda responds to his strength and self-reliance, but has nothing and nobody to guide her when she follows him to the grim town of Lodestone.

**“Not many authors succeed so well as Mrs. Seton in combining adventure and romance in a modern setting. Above all it is the driving and relentless pursuit of a treasure which keeps the people and the episodes at pitch throughout.” — *Library Journal***
