Titus Chung

Thomas Torrance's Mediations and Revelation (Ashgate New Critical Thinking in Religion, Theology, and Biblical Studies) Titus Chung

Could a work of revelation be justified as a viable theological project today, especially in light of some modern sceptics questioning its validity as a doctrinal discipline? Engaging with the work of theologians such as Karl Barth, Paul Tillich and Colin Gunton, Chung explores and justifies revelation and mediation in the theology of T.F. Torrance and argues that Torrance's distinctiveness is able to contribute significantly to current debate and bring a fresh perspective to the theological landscape.
