A Good Man For Sale: (By His Fruits You Will Know Him) A guide for virtuous women to know & keep Mr. Right Drew L Hinds Jr

Drew Hinds gives women an incredibly insightful look at relationships from a man's point of view in his new book, "A Good Man for Sale." He tells the truth as he sees it, and reveals both the good and bad moves women make in their relationships with men. He gives you a peak into a man's mind, and he explains why men do the things they do and how women sometimes misinterpret a man's actions. For as far back as we can remember, men have been a mystery to women just as much as women have been a mystery to men. Drew Hinds, through this revealing book, is providing us with a chance to make a crack in the barrier that separates men and women; the barrier which prevents us from understanding each other. I definitely recommend that every woman take the time to read "A Good Man for Sale," as it may help us understand our significant other a little better, and perhaps even salvage a relationship that is in serious trouble. As you read this book, I can guarantee that you will find a reflection of yourself in the many scenarios Drew presents us with. It may prompt you to have a moment of realization that maybe the reason your relationships are not surviving is because you do not understand men as much as you think you do. "A Good Man for Sale" can be your guide into understanding your man's motives and needs, and perhaps even help you find that bit of comfort and happiness that you have been missing. - Amanda Clarke 2012
