## **Roadside New Mexico: A Guide to Historic Markers, Revised and Expanded Edition** David Pike

Through New Mexico's Official Scenic Historic Markers we learn about the people, the geological features, and the historical events that have made the Land of Enchantment a place unlike any other. An index to our history, these markers tell an incredible story about our cultures and origins. This revised and expanded edition of *Roadside New Mexico* provides additional information about these sites and includes approximately one hundred new markers, sixty-five of which document the contribution of women to the history of New Mexico.

Now structured alphabetically for easier identification, each essay also offers suggestions of similar Historic Markers to help readers explore each topic further. In addition, Pike includes entries on "Ghost Markers"-- those sites missing from the road that still impart significant historical lessons. *Roadside New Mexico* delivers a useful companion for travelers who want to understand more about the landscapes and inhabitants of the state.
