Your Practical Guide To Surviving Unemployment Ronald Rook

This book is the culmination of years of experience being hired, being fired, interviewing potential employees and being interviewed as a potential employee. This book is written for the person who's been fired and needs some help finding work, those who are contemplating being unemployed at a future time, and those who want to align their finances in such a way as to continue to enjoy life, but are prepared for losing one's job in the future. Resumes, Cover Letters, phone interviews, in-person interviews, preparing for interviews, knowing what to wear, what to say and NOT what to say are all topic examined. Knowing how to answer key questions that will make the difference between getting hired and going home without a job offer. How to prepare for an interview and leave the impression that places you above the rest of the herd is paramount in getting the job. How to job search, what works and doesn't work. What are your choices when looking for work? How to manage your day so you can become most efficient while looking for a job. In our age of uncertain times, being able to survive during periods of unemployment is as essential as being able to get along when you still had a job. This book will cover both sides of the coin. Also examined will be career assessment, looking ahead at where you want to be ten years from now. How to survive and continue to be healthy and positive. How to save money from your budget while unemployed is vital to survival. This book will cover all these subjects and more.

This book is dedicated to those who struggle for survival every day in a very uncertain economy. Take to heart everything in this book and your ability to find a job will increased substantially.
