A little girl writes to her bunny, telling him all the things she likes when they're together, from how he blows on her porridge to cool it down to playing in the park and holding hands at the zoo. As they adventure the world, they see big things, small things, creatures, colours and wonderful surprises wherever they go, but at the end, the little girl realises that the thing she loves most is her bunny! With a simple message about learning to be grateful for the things we have, most especially our loved ones, this is an ideal bedtime picture book.
