#### **Christopher Evan:**

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Energy Speaks can make you feel more interested to read.
