The very handsome and very bored Lord Trowbridge knows something is missing in his existence. When he is asked by a friend to escort the seemingly quiet Miss Sophie Edwards to her first ball, he has no idea she possesses the key that will unlock him. It is her secret weapon.

Once he sees his own inner workings, life unfolds in a different manner. He will do anything to capture the love of his "angel." Unfortunately, his old life and the shibboleths of the ton stand in his way. As he wades through these afflictions, Sophie is courted by another man. Who will she choose? How can he possibly show his love for her in a way as original and unique as she is? What are Sophie's feelings for him?
