No strings... Only possibilities... My name is Connor McClane, and if you haven't guessed, I'm a Scorpio. Few women have ever made an impression on me. Not one of them could live up to the sexual prowess of Meredith Kincaid, the woman who stole my virginity and taught me to be a man. Now, three years later, we meet again. She wants me, but only on her terms. She has a secret. I want to keep it casual and am determined not to fall in love. Yet we draw together like the proverbial moth to a flame. So I am entangled in a web of sensual exploration and emotion that leads to a cataclysmic confrontation with the man who has vowed to own Meredith. Will I say yes to the possibilities? Join Connor and Meredith for lots of steamy hot sex while we learn about the boy who will become the billionaire in this prequel of The Scorpio Saga. Reader Advisory: This book contains scenes that will stimulate your sexual imagination, including dominance and submission, sex toys and bondage. Feed your fantasies!
